Do you wanna dance

Do you wanna dance . . .

When can you get into the feeling

That's comin' thru the floor

can you feel it in the air

'cause you know it's always there

Makes me wanna dance some more

Well I need someone to cling to you

And you're standing all alone

Well you do your best and

Huh! I'll do the rest

Baby don't you hide yourself away

When I get to you I'm gonna say

Do you wanna dance . .

Like a bullet out the blue

See

I'm aimin' right at you

'cause you've got the chance so!

Come and dance

Do you

do you

do you wanna try

do you

do you

do you wanna fly

Hey ev'rybody

do you wanna dance along

Hey ev'rybody

do you wanna dance along

Hey ev'rybody

do you wanna

Well

do you wanna

do you?

Do you wanna dance

do you wanna .
