Hey!  
If I show you that I can dance  
If I show you that I can dance  
If I show you I can dance  
Will you promise me you'll give me a chance

Baby, you know  
That wherever you go, you're the teaser  
When it comes to the jive  
There ain't no man alive that can please her  
Oh, you know, you show 'em the way  
Oh, we know ev'ry game that you play

But if I hold on my babe, she's a moving  
Will you give me a break and I'll groove in  
And if I show you I can dance  
Will you promise me you'll give me a chance  
And if I show you I can dance  
Will you promise me you'll give me a chance

Born in your jeans  
With a record machine in your cradle  
Come on, try me out  
If you're ready, I'm willing, you're able  
Go although I'm knowin' you  
Oh, you know, there's a lot I can do

With a smile on my face, how do you do  
I'll be takin' you home and you know it's true  
And if I show you I can dance  
Will you promise me you'll give me a chance

If I show you that I can dance  
If I show you that I can dance  
If I show you I can dance  
Will you promise me you'll give me a chance

And if I show you that I can dance  
If I show you that I can dance  
If I show you I can dance  
Will you promise me you'll give me a chance ....
