As we walk together through the autumn, nearing  
winter  
Through the dying leaves and trees we call our home  
and native land,  
You say you don't believe a thing I say, I say you don't  
believe a thing  
You say you can't believe how I don't understand

[Chorus:]  
But I Know  
That you will be waiting  
Oh I know  
That you will be waiting  
Oh I know  
You Will be waiting  
Waiting there for me

You say you cannot live with me, you need your own  
identity  
And now we air our laundry on national TV  
And so you hate my arrogance, my smothering and  
sitting on the fence,  
But I'm afraid of the hard permanence of letting you go  
free

[Chorus]

I'm so sick of fighting and that effigy you're lighting  
looks  
An awful lot like whose name I just can't quite place  
And though you say it's not supposed to be me or any  
entity  
Still through the flames and smoke I see I recognize  
that face

[Chorus]

And you were someone who would  
Always tell me things I don't know,  
And tell me where to go  
But there I'll always go

Whether or not you're waiting  
I don't care if you'll be waiting  
But please say that you will be waiting there for me
