FREDDY:

"I thought I'd seen it all
I thought I knew the score
But coming here I've found a world
I've never seen before

Now I know where I belong
A life of taste and class
With culture and sophistication
Pouring out my ass!"

spoken

What do I want? I want this! I want this!
Ah - I want this...

"I thought I had a real gift
That penny-ante grift
But Freddy's gettin' ready now
To give his life a lift
I'm tired of bein' a chump!
I wanna be like Trump
Two hundred pounds of caviar in one gigantic lump

Gimme Great Big Stuff!
This is how I gotta live

Great Big Stuff!
Oh-oh no alternative

Great Big Stuff!
I want my silver spoon
Don't need it right now
But I better get it soon

Ow! I want a mansion with a moat
Around which I will float
With some vast-bottom babies
In my glass-bottom boat"

FREDDY/HOUSEKEEPERS:
"A house in the Bahamas

FREDDY:

Poker with Al Roker
And our friend Lorenzo Lamas

FREDDY:
"I don't give a damn what it's fer
Every day's my birthday
Every night is my Bar Mitzver.

Oh give me a home
Where the centerfolds roam
Guccione on the phone, he
Got a party goin' on

And Heff'll have me over
To play some naked Twister,
Blotto in the Grotto
With a Playmate and her sister"

The Hamptons in the summer
The fashion plate I date'll give me
Hummers in my Hummer.

The cash to keep me idle,
The chicks to keep me vital,
The pills to keep me happy
Even when I'm suicidal."
