Youâ€™re looking for love
And itâ€™s driving you crazy
Youâ€™re looking for love
And itâ€™s driving me crazy
You want it real fast, yeah
And itâ€™s driving you crazy

You try it all but still you need a little more
You want your presidents and kings
Princes to buy you pretty things
You fly so high and now itâ€™s your turn to cry
Because with love you have to live
With love you need to give

So youâ€™re looking for love
And itâ€™s driving you crazy
Looking for love
And itâ€™s driving me crazy
Doo doo doo doo etc.
Youâ€™re looking for love yeah
And itâ€™s driving you crazy

Inside your mind you know you donâ€™t like what you
find
You chase the rainbow to the end
Will your broken heart pretend
That nothingâ€™s wrong that matters anyway
You give your time to what you want
Memories that haunt

So youâ€™re looking for love
And itâ€™s driving you crazy
Looking for love
And itâ€™s driving me crazy

No one could say you lived for yesterday
That time is running out
There is no need to stand and shout
Searching all the time
Is it impossible to find something thatâ€™s real and
has a name
Itâ€™s the rules of the game

So you're looking for love
And it's driving you crazy
You're looking for love
And it's driving me crazy
Doo doo doo doo etc.

You try it all but still you need a little more
You want your presidents and kings
Princes to buy you pretty things
You fly so high and now it's your turn to cry
Because with love you have to live
With love you need to give

So you're looking for love
And it's driving you crazy
You're looking for love
And it's driving me crazy, crazy
You're looking for love
And it's driving you crazy
You're looking for love
Crazy, crazy, driving you crazy
Crazy
