Before I write this letter  
And mail it to you  
I'll try to live the memories  
Remind me of you  
Moments of decision  
Keep haunting me now  
Pictures just like photographs  
Head hangs so low

One man " couldn't write these words  
One man " could never make himself heard  
One heart " like a big drum beating so loud  
One man " with a loaded gun locked in his soul

If I don't remember  
To post out these words  
I hope you can forgive me  
Every time that I try  
Sounds are like echoes  
Going round in my head  
Things that I'd forgotten  
Hidden meanings that are dead

One man " couldn't write these words  
One man " could never make himself heard  
One heart " like a big drum beating so loud  
One man " with a loaded gun aimed at his head

(Instrumental)

One man " couldn't write these words  
One man " could never make himself heard  
One heart " like a big drum beating so loud  
One man " with a loaded gun aimed at his head

Aimed at his head  
One man - one man - one man  
One man - one man - one man

Oh oh one man " couldn't write these words  
One man " could never make himself heard  
One heart " like a big drum beating so loud

One man â€“ with a loaded gun aimed at his head  
One man â€“ one man â€“ one man
