Won't you listen please
I'm feelin' down
Don't make your heart a place
Where I can't be found
I've joined the human race
What more can I do?
I'd circle half the world to get to you

I'm rackin' my brains
But I can't decide
There's more to heaven and earth
When I'm this high
I make no secret of what I do
I'd circle half the world to get to you

Checkin' out the rain
Will I ever feel the same?
Tryin' to beat a pathway to your heart
You're laughin' like a drain
When I play your silly game
I'm tryin' to beat a pathway to your heart

Well what they say around this place
Can it be true?
Tonight I'm gonna tell it to you
You think that I won't make it through
Well I'd circle half the world to get to you

Checkin' out the rain
Will I ever be the same?
I'm tryin' to beat a pathway to your heart
Ooh you're laughin' like a drain
When I play your silly game
I'm tryin' to beat a pathway to your heart
To your heart, to your heart, to your heart aah

(Instrumental)

Checkin' out the rain
Will I ever be the same?
Tryin' to beat a pathway to your heart
You're laughin' like a drain

When I play your silly game
Iâ€™m tryinâ€™ to beat a pathway to your heart
Ooh tryinâ€™ to beat a pathway to your heart
Oh tryinâ€™ to beat a pathway to your heart
Woh woh woh Iâ€™m tryinâ€™ to beat a pathway to
your heart
Woh yeah, tryinâ€™ to beat a pathway to your heart
Ooh oh yeah, tryinâ€™ to beat a pathway to your heart
