Hey ooh ooh ooh ooh yeah
When things get rough
When you need love
Just call on me
You know where I'll be
Waiting for you
To make your move
Say you will
You know I want to

You try to tell me that you never understood my ways
You're talkin' about me as if I'm in another
place

Raise your hands up high
Raise 'em to the sky
Can I make it clearer
Stand and deliver
Raise your hands up high
Raise 'em to the sky
Give me all your lovin'
And don't you hold out

There's no more reasons
No way to see them
Just a feelin'
I believe in
What's gonna happen
I'll get you attention
An' I'll make you see lovin' ain't easy

I guess sometimes we don't feel the way we should
But in my weakest moments I thought you understood

Raise your hands up high
Raise 'em to the sky
Can I make it clearer
Stand and deliver
Raise your hands up high
Raise 'em to the sky
Give me all your lovin'
Don't try to hold out

(Instrumental)

Raise your hands up high
Raise 'em to the sky
Can I make it clearer
Stand and deliver
Raise your hands up high
Raise 'em to the sky
Give me all your lovin'™
Don't try to hold out

Raise your hands up high
Raise 'em to the sky
Can I make it clearer
Stand and deliver
Raise your hands up high
Raise 'em to the sky
Give me all your lovin'™
Don't try to hold out

Raise your hands up high
Raise 'em to the sky
Can I make it clearer
Stand and deliver
Raise your hands up high
Raise 'em to the sky
Give me all your lovin'™
Don't try to hold out
