Limited in mind Limited in body ruler of our own domain  
claim false authority like we're the ones who rule  
and reign the mentality of the majority is more than  
metaphorically morphing into a misinformed form of  
who we were born to be torn between blind perception  
and defined reality toward what it seems all dreams  
are built on faulty foundation of falacy this'll be  
our fatality its simply a formality see the casualty  
of war laid on the floor of the battle scene we worship  
how we feel we don't worship who we should yeah we  
got it bad and if god calls it bad we call it good  
we covet what other have grab what ever we can what  
ever we want we think it belongs in the palm of our  
hands going along with a song and dance worshipping  
idols to fulfill our entitlement issues addicted to  
the feeling we get when we get what we want so we  
pick  
and we choose even the air we breathe is a gift we  
receive everything were entitled to

even the air we breathe is a gift we receive everything  
were entitled to they say you get what you deserve  
so we work hard to earn it earn as much as we can to  
determine our self worth and purpose identified by  
what  
we buy it's a sad state of affairs and when we die we  
lose it all and just lay there naked and bare but none  
of this stuff can cover us no it never was enough for  
us nothing we can work for to obtain can wash away  
the stain the only thing we're entitled to is judgment  
for the life we've led theres nothing we can hide  
behind in the end we need grace instead

We spend a lifetime trying to find love in anything and  
everything this life has to offer its true  
And oftentimes we trade the temporal satisfaction for  
the things the genuine believer is entitled to  
I'm convinced that its because they don't understand  
that there exists an order of benefits of redemption  
that supplies you is right and the basis of his choice in  
election was for god alone to decide

and its not like an invitation that one might accept or  
reject  
but rather its the effectual calling drawing to himself  
his elect  
regenerating and enabling us to respond in faith  
towards christ  
giving us the gift of repentance revealing the nature of  
his sacrifice  
binding us with the true intellectual realization of our  
sinful condition  
converting us and turning us from our previous  
malicious disposition  
ultimately leading to a legal declaration by god that  
we've been made right in his sight  
justification being credited to us on the basis of the  
righteousness of christ  
adopted to be children of God and grafted into  
fellowship  
being bound together by the blood of chist into a  
common membership  
sanctified by the spirit given gradual growth in holiness  
increasing in our thinking in ways that shows that we're  
chosen  
and all the while being preserved and upheld  
according to his sovereign providence  
giving us confidence that he'll carry us to completion  
just like he promised
