"You"

I just want to be close to you.
Sunshine, moonlight, delight just a couple words
describing who you are.
Lovely, so lovely want everyone to know why I'm in love
with you

Patient and strong, always, no matter what I face
You've been there to see me through.
Just right (right on) on time,
It took a while to see that your love was true.

Now no one can (undo)
Cause I belong (to you)
Until the end (of time)
It's good to know (good to know you're mine)
And all I want (to say)
Until my dying (dying day)
I just want to be close to you

Honest and sweet
Heaven is where I want to be
Where I am when I'm with you
Perfect, yes perfect
It took a while to see that this was love true

Now no one can (undo)
Cause I belong (to you)
Until the end (of time)
It's good to know (you're mine)
And all I want (all I want to do is say til my dying day)
I just want to be close to you

Come on CeCe and follow me
Say dah dah, you say (dah dah)
Say dah dah
Dah dah dah dah dah dah dah dah dah dah dah dah
Dah dah (mm, mm) dah dah
It took a while to see, now we know the truth

Now no one can (undo)
I belong (to you)
Until the end (of time)

Good to know (good to know you're mine)
And all I want (all I want to say, till my dying day)
I just want to be close to you
Ya ya ya ya (how long will you stay)
I just wanna be close to you
