I'll be sitting in my bedroom  
Listening to songs  
Turn the radio on  
And sing along  
That's what I'll do today  
I'll always get my way

I'll be sitting on my bed  
Watching tv  
Falling asleep  
And having sweet dreams  
About music every night  
I'll sing and dance with all my might

That's what I'll do with my life  
Sing and dance every night

Music is my life  
Live the dream every night  
Music is my life  
And that's what I'm gonna do  
With all those little tunes

I'll be standing on stage  
Doing my best  
Trying my hardest  
To beat the rest  
That's how I stand my ground  
You'll find no better sound

I'll be getting applause  
And winning awards  
And trying my best  
To do so much more  
That's how I state my claim  
That's how I play the game

That's what I'll do with my life  
Song and dance every night  
Music is my life  
Live the dream every night  
Music is my life

And that's what I'm gonna do  
With all those little tunes

And that's what I'm gonna do  
With all those little tunes!
