I've been waiting for a long long time
To hear the things you told me
Anybody could have seen the signs
You may as well have showed me

But I was blind
Captured by
All the love inside
I Didn't realize
All of your lies

Heartbroken you were gone without a trace
(I was hurting for so long)
Just as everything was falling into place
(Oh you had to come along)
and you try, just to walk right back into my life
well you won't, you can't
don't tell me you deserve a Second Chance

Didn't know what I was gonna do
it took a while for me to heal
after everything you put me through
you say you know just how I feel
I can't
Just pretend
Theres too much hurt
To start again
The end's the end
I was

Heartbroken you were gone without a trace
(I was hurting for so long)
Just as everything was falling into place
(Oh you had to come along)
and you try, just to walk right back into my life
well you won't, you can't
don't tell me you deserve a Second Chance

I can't, deny
These tears, that I've cried
I'm tied, don't know why
I couldn't let you go, ohhh

Cos you said, that you tried,
But we both know, that you lied
But thatâ€™s fine, its alright
Iâ€™m proud to say this time
Itâ€™s too late to change my mind
(I was)

Heartbroken you were gone without a trace
(I was hurting for so long)
Just as everything was falling into place
(Oh you had to come along)
and you try, just to walk right back into my life
well you wonâ€™t, you canâ€™t
donâ€™t tell me you deserve a Second Chance
