(Ke\$ha)

I hear your heart beat to the beat of the drums  
Oh what a shame that you came here with someone  
So while you're here in my arms  
Let's make the most of the night like we're gonna die  
young

(Becky G.)

Yo!  
Ke\$ha

young

(Becky G)

Yo!  
Tonight I'mma break it down down  
They stop when they hear my sound sound  
We so high off the ground ground  
I'm bumping speakers mad loud

Drop down when the bass go boom boom  
Faster make a car go zoom zoom  
I'm a star right by the moon moon  
Its about me n-not about you-ou

Supercalifragilisticexpialidocious  
When I'm on the mic yes yes I'm ferocious  
Yes I'm a monster no you can't focus  
I'mma be everywhere on your kids posters

When I'm on the mic I ain't gotta think twice  
I'm a cool cat you a itty bitty mice  
Little bit of diva little bit of nice  
Little bit of nerd little bit of spice

(Ke\$ha)

I hear your heart beat to the beat of the drums  
Oh what a shame that you came here with someone  
So while you're here in my arms  
Let's make the most of the night like we're gonna die  
young

(Becky G)

Woah oh woah oh  
like we're gonna die young x3

(Ke\$ha)

let's make the most of the night like we're gonna die  
young

(Becky G)

Won't stop cause its my time time  
I'm staying on my grind grind  
You trying to take my shine shine  
Step back bye-bye

When I rap all the boys go cray cray  
Every time that I jump on the sta-age  
Oh you like it when I'm in your fa-ace?  
And if you don't man what you gonna sa-ay?

Supercalifragilisticexpialidocious  
Yes I got a gap and I think its a bonus  
All my fans love it all my haters seem to notice  
Say what you want but I think its a bonus

Yeah you know what's up tonight  
Living young doing nothing right  
No no you're thinking twice  
Living young doing nothing right

(Ke\$ha)

I hear your heart beat to the beat of the drums  
Oh what a shame that you came here with someone  
So while you're here in my arms  
Let's make the most of the night like we're gonna die  
young x2
