Alright

Oh, oh, oh, OK

What do we have here

Becky G, will.i.am, in the house

[Becky G]

This is a problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm one of a kind, got everybody in love

And I don't have to try, I just do what I does

Don't have to tell me, I already know

They all want me

Yo, I run this, I smash it

Like my bass real hard, boom-bastic

Speed race baby, I'm a lot faster

Cause trouble, never listen to my master

New Benz all black, from Malaysia

Can't drive, but my mama don't care yup

To the top, I'ma take it to the ceiling

I'm on the moon but I feel the sun beaming

I'm so dope like ooh la la

So so fly like a helicopter

Sup to the hood and the homies on the block

Doin' it big, ya you know, what's up

Some come and try to say I'm a problem

So crazy, gotta put 'em in an asylum

Some come and try to say I'm a problem

Ha, solve it

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem

I'm a problem, I'm a p-problem
I'm one of a kind, got everybody in love
And I don't have to try, I just do what I does
Don't have to tell me, I already know
They all want me
Yo, yo, yo
You got one down, I'm on 2 now
There's another one! I gotta few now
You know I'm a beast, I throw down
Show down, whatcha gonna do now
Kick rocks cus you're just another hater
New team I'm an all-star player
Get at me but you better get your game up
My steez like ooh la la
I'm so fresh got this on lock
It's my time yeah, check my watch
My mama say I'm a leader
His mama say I'm a keeper
That's too bad cus I ride solo
Do it one time then you want some more
I'm a problem, tell ya, I'm a problem
[will.i.am]
Yo, yo
Yo, yo
Don't be actin' like
Like you didn't know
Like you didn't know
Like you didn't know
Like you didn't know
