Too few letters that were sent
Too few photographs for me to see
Just to know you held the pen
Selfish pleasure's, in my make believe

But the nights are way too long
And I'm not strong like you
I can't breathe without you, son

My beautiful boy
My beautiful boy
My beautiful, beautiful boy

This house still holds your smell
And your voice still echoes through these walls
I wasn't with you when you fell
I was with you through so many falls

But the nights are way too long
And I'm not strong like you
I can't breathe without you, son

My beautiful boy
My beautiful boy
My beautiful, beautiful boy
