"Run To Her"

Is it too late for me to let her know
Just how much I really love her so
You should know 'cause you're her best friend

She's leavin' on the midnight plane
And she's never comin' back again
Let me know just what I'm supposed to do

Oh should I run to her and let her know just how much I
care
Run to her and hope that she's still waiting there oh, oh
oh

Is it too late for me to be her man
Do you think that she will understand
That it's all for me to say just how I feel

The time has come for us to say goodbye
But if you leave me oh I know I'll cry
Tell me now just what I'm supposed to do

Oh should I run to her and let her know just how much I
care
Run to her and hope that she's still waiting there oh, oh
oh

Oh should I run to her and let her know just how much I
care
Run to her and hope that she's still waiting there

Oh should I run to her and let her know just how much I
care
Run to her and hope that she's still waiting there
