You think that I deserve this after all you put me through? Who the fuck are you to judge a rightful penance for these ghastly sins? You've got no right, nor did I, you fucking piece of shit!

Oh what the fuck!? He backhands me to the floor.

'You fucking slut!' He spits at me and roars, 'Oh I'll fuck up you and your fucking whore.' I don't give a fuck! Now here's me crying on the floor, 'Fuck you!'

Gazing over to where my lover lies, I hear him whispering sweetly. 'Do you know what's coming to you? Three nails and blood for two.' I can't believe my eyes, this fucking guy, what the fuck is he going to do?!

'I'm going to make you watch him bleed,

rip him apart piece by piece. And after all you've done, 'you're sorry' isn't good enough for me!

'That's enough! Just shut the fuck up! I don't want to hear from your dirty mouth. In fact, I'll cut it out. How do you like me now?

Good luck screaming bitch with your tongue cut out!

Beating and bleeding upon this blood stained floor, I gaze and wonder, 'Will I ever leave here?' Carved and speechless face, I scream in silence... I scream in pain... This fucking psycho has me gargling upon my own dismay!

'I'm going to make you watch him bleed,

rip him apart piece by piece. And after all
you've done, 'you're sorry' isn't good enough
for me!
