Trouble and strife are all that I know
Guess theyâ€™re gonna follow wherever I go
Havenâ€™t got time to wander and play
All of my life's been squandered away
Ainâ€™t much time to try to find away
To leave this all behind
Hope before Iâ€™m gone I'll find
A way to ease my troubling mind
Ease my troubling mind

All of my life have I been alone
Waiting for love to carry me home
All of us live to finally fall
Nothing much seems to matter at all

All my life Iâ€™ve searched for something
Wander in this world alone
Have I lost my chance to find
The way for love to carry me home
Didnâ€™t know what life would offer
Happiness so hard to find
Hope the day will come to find
A way to ease my troublin' mind
Ease my troublinâ€™ mind

All of my life have I been alone
Waiting for love to carry me home
Trouble and strife are all that I know
Guess theyâ€™re gonna follow wherever I go.

All my life Iâ€™ve searched for something
Wander in this world alone
Have I lost my chance to find
The way for love to carry me home
Didnâ€™t know what life would offer
Happiness so hard to find
Hope the day will come to find
A way to ease my troublin' mind
Ease my troublinâ€™ mind

My troublin' mind
