Take me back to your place
Show me how to dance
Let's go watch the sunset
With me in your hands.
Fly me on a jet plane
Take me to the moon
Wherever you go
I'll follow!
Never really meant to start a spark
But this love
This love is like arrows through our hearts
I'm dreaming!

Chorus:

Set me on fire with aimless words to show my worth
Take me to a place I've never known!
Set me on fire with silent kisses light the sunsets
Darkness is our playground we call home!

Oh, oh, oh

Take me in your mustang,
Let's go cruise the streets
We'll stay on forever
Cause love knows my beat
Running free in the daylight
Feeling safe in the night time
With your eyes beside me
This love I won't fight!
Never really meant to start a spark
But this love, this love is like I almost through our hearts
I'm dreaming!

Chorus:

Set me on fire with aimless words to show my worth
Take me to a place I've never known!
Set me on fire with silent kisses light the sunsets
Darkness is our playground we call home!

Storms here may come, but I'm here to stay
Cause this heart is my anchor
No, I won't drift away!
Fearlessly in love with all your ways
Shoot an arrow through my heart with a love and embrace!

Chorus:

Set me on fire with aimless words to show my worth
Take me to a place I've never known!
Set me on fire with silent kisses light the sunsets
Darkness is our playground we call home!
