Yesterday, we had nothing to loseÂ
But now I'm losing youÂ
Because as the days tick byÂ
I'm gonna have to say goodbye
But I don't wanna lose you
Can't we make it work somehow

(chorus)

That day came when you told me
We're over officiallyÂ
I knew it would comeÂ
But now I'm just numbÂ
Never felt so aloneÂ
And I can't believe it's overÂ
It can't be, but it's over

I sat there and criedÂ
Looking back on our memories
Looked at every mental picture
Remembering all our storiesÂ
Those times when we laughedÂ
Those times when we foughtÂ
But it was true love

(chorus)

That day came when you told meÂ
We are over officially(officially)
I know it would comeÂ
My whole body's numbÂ
Never felt so alone(alone)
And I can't believe it's overÂ
It can't be, but it's overÂ

(bridge)Â

Remember me like I will youÂ
Remember those words I love youÂ
Please remember all we hadÂ
You made me see the real world
You showed me what love isÂ
I'm not over you
Don't forget, don't forgetÂ
Every single time,

Your my life ,
And it'll never go on with you
But this is our goodbye

(chorus)

That day came when you told me
We are over officially(can't believe it's over)
I knew it would come(it's over)
My whole body's numb(I can't believe it)
Never felt so alone(I need you here)
And I can't believe it's over(I promise I won't leave
you)
It can't be, but it's over

(Altro)

Your me life
And It can go on without you
But this is our goodbye
Just remember I love you
