Every avenue in Tokyo is saying that I'm gonna make it
It's offering the two of us a chance and knows, oh,
we're gonna take it
All they need to do is lead us to the floor, it'll detonate
us
We'll show 'em what the beat is for to the core, girl
they'll celebrate us

Made in Japan! Ooh ooh ooh! We're made in Japan! Ooh
ooh ooh!
Made in Japan! Ooh ooh ooh! We're made in Japan! Ooh
ooh ooh!

Fortune and fame suddenly I can be a real supernova
Should install my name in neon lights in the sky before
it's over
Imagine us having fans, think of when a-all of them are
screaming
Our fantasy is so getting out of hand, I'm loving what
I'm dreamin'!

Made in Japan! Ooh ooh ooh! We're made in Japan! Ooh
ooh ooh!
Made in Japan! Ooh ooh ooh! We're made in Japan! Ooh
ooh ooh!

Woke up in another world, now we're on as sama girls
Getting our kimono on, singing karaoke songs
Eating sushi, drinking tea, in the shade of maple trees
Lotus flowers everywhere, breathing in exotic air
Manga artist take a bow, anime's a total wow
My imagination sparks when I'm in Yoyogi Park
Could it be this distant land scrambled crossing upper
plans?
Loving cosplay gotta say, sayonara U.S.A.

Made in Japan! Oh! We're made in Japan!
Made in Japan! Oh! We're made in Japan!

Made in Japan! Made in Japan!
Made in Japan! Made in Japan!

Made in Japan! Made in Japan!
Made in Japan! Made in Japan!
