Ahh oh yeah  
I see the spotlight in my dreams  
I just wanna reach out  
Find out what it's all about  
I'll have to turn in with  
All leards of a different feather  
Where they were together  
No matter what may happend in our lifes  
You are you, and I am I  
I wanna rule the world  
You wanna wake it up  
But we're here for eachother  
No matter what (what what what what)  
Like fire to the plane  
Like water to the rain  
Like blue to the sky  
You and I will stick it up for eachother  
It's our time  
Nothing's gonna break us apart  
We'll always gonna shine in the dark  
Wherever we go, wherever we are  
We'll always be like  
Two halves of the same heart  
Same heart  
Standing of the top of the world  
Everything is magic  
You know that we have it  
Even though we're two different girls  
You know it's okay  
Time to celebrate, yeah  
It's the greatest moment of our lifes  
You are you, and I am I  
I wanna rule the world  
You wanna wake it up  
But we're here for eachother  
No matter what (what what what what)  
Like fire to the plane (fire to the plane)  
Like water to the rain (water to the rain)  
Like blue to the sky  
You and I will stick it up for eachother  
It's our time (our time)  
Nothing's gonna break us apart (break us apart)

We'll always gonna shine in the dark  
Wherever we go, wherever we are  
We'll always be like  
Two halves of the same heart  
Same heart  
Shine in the dark  
Let's go girl, let's go girl  
Hey hey hey  
Like fire to the plane  
Like water to the rain  
Like blue to the sky  
You and I will stick it up for eachother  
It's our time  
Nothing's gonna break us apart (break us apart)  
We'll always gonna shine in the dark  
Wherever we go, wherever we are  
We'll always be like  
Two halves of the same heart  
Same heart  
Yeah, yeah, yeah, hey  
Same heart
