I don't need no one to tell me how to feel the beat  
And I don't need no beat to tell me how to move my  
feet

Just go and do what you do  
Cuz' there's nothing to prove  
I'm just being me  
Watch me do me

I don't need no magazine to tell me who to be  
And I don't need to pose for pa-pa-paparazzi

Just keep the camera flashing  
To try to catch this action  
I'm just being me  
Watch me do me (me, me, me)

Light up the floor  
Play me one more  
Let me hear that  
Click clack on the high hat  
Hear the bass vibrate  
Hear the room rock

Light up the floor  
Just like before  
Let me hear that  
Bass drop on the boombox  
Make your heart stop  
Feel the room rock

I'm doing all I wanna do  
And I won't stop  
Until I can't move  
I'm just being me  
Watch me do me  
(Me, me) Watch me do me  
(Me, me) Watch me watch me

I don't need no music  
When I wanna sing a song  
I don't need Miss Popular

To know what's right or wrong

I'm busy burning the track  
Not holding anything back  
I'm just being me  
Watch me do me (me, me, me)

Light up the floor  
Play me one more  
Let me hear that  
Click clack on the high hat  
Hear the bass vibrate  
Hear the room rock

Light up the floor  
Just like before  
Let me hear that  
Bass drop on the boombox  
Make your heart stop  
Feel the room rock

I'm doing all I wanna do  
And I won't stop  
Until I can't move  
I'm just being me  
Watch me do me

I'm ready, I'm-I'm ready to go Let-let it-let-let it explode  
I'm ready, I'm-I'm ready to  
Go, Go, Go!

Light up the floor  
Play me one more  
Let me hear that  
Click clack on the high hat  
Hear the bass vibrate  
Hear the room rock

Light up the floor  
Just Like Before  
Let me hear that  
Bass drop on the boombox  
Make your heart stop

I'm doing all I wanna do  
And I won't stop  
Until I can't move  
I'm just being me  
Watch me do me  
(Me, me) Watch me do me  
(Me, me) Watch me watch me
