(It's called a changeover, the movie goes on and no one in the audience has any idea)

I know that they think that I'm a joke,
I get shit on, picked on, laughed at and poked but,
They don't see all the evil inside, I'm overclockin',
And my heat is high. I set fire to [INCOMPREHENSABLE]
more than the game,
And when I'm finished, your whole world's in flames,
So don't tempt me, and don't push me too far,
Or I might just stab and make my world reborn

'Cause I don't need you, I just need you gone,
I ain't here to make you feel better; I ain't your pawn,
And if you cross me again, I might just alter
[INCOMPREHENSABLE]
My mind's slipping, and my patience is gone,
I got half a mind left to make you dead by dawn,
And let me tell you, if these looks could kill,
I'd turn this whole [INCOMPREHENSABLE]

SO COME ON TELL ME,
I'd let you [INCOMPREHENSABLE]
I'd let you be someone who lies on the darkside,
Come on tell me, I got just one look left,
And when it stabs, you'd better pray for death,
So come on tell me,
I'd let you [INCOMPREHENSABLE]
I'd let you be someone who lies on the darkside,
Come on tell me, I got just one look left,
And when it stabs, you'd better pray for death

IF YOU ONLY KNEW THE POWER OF THE DARKSIDE

I'm not hard; I'm soft as a rock,
I'm just skin tissue son; mentally I'm a block of
concrete,
pray to meet the streets, with my feet, and go running
after everyone that competes,
[INCOMPREHENSABLE] like an Olympic event, when you
go against me it's like I already win,
'Cause you lose, you getting bruised while I'm drinking

my booze, I hit a shrink that think "Is he spitting the blues?" I've hit MC's, like a [INCOMPREHENSABLE] but at the same time, like a vocal disease, I'll cramp up your style, like you got arthritis, I could be the biggest whore yet I'm still the tightest, I am what I eat, so you can call me asshole, I'm as dirty as it gets you can call me [Rascal/Rasco?]. Dragging an [INCOMPREHENSABLE], with flames like Tabasco and get back on the track with darkside fiasco.

SO COME ON TELL ME,
I'd let you [INCOMPREHENSABLE]
I'd let you be someone who lies on the darkside,
Come on tell me, I got just one look left,
And when it stabs, you'd better pray for death,
So come on tell me,
I'd let you [INCOMPREHENSABLE]
I'd let you be someone who lies on the darkside,
Come on tell me, I got just one look left,
And when it stabs, you'd better pray for death

HOW COULD YOU SHOOT INNOCENT WOMEN,
CHILDREN?

EASY, YOU JUST DONT [INCOMPREHENSABLE] SO
MUCH! HAHAAAAHA!

My raps rap, my right [INCOMPREHENSABLE] lumbering
through my left, I'm chasing my own darkness trying to
capture my own breath, [INCOMPREHENSABLE] in my
pocket, fog drifting through my eyes, sporadic
moments of clarity [INCOMPREHENSABLE] leaving me
surprised

[INCOMPREHENSABLE] enemies like air?

Waiting and [INCOMPREHENSABLE], the only Jedi left
that doesn't care, [INCOMPREHENSABLE] guilty, friend
or foe? [INCOMPREHENSABLE] struck a death blow. Let
me know, we ready to go, the blackness in me swells
as my hell inside grows, [INCOMPREHENSABLE]
elaborate the [INCOMPREHENSABLE] pursuit of what it's
like to be the darkside, [INCOMPREHENSABLE], I open
my third eye and get to my darkside, see I live and I
die, I eat and I breath...

I-I-I AM THE DARKSIDE

SO COME ON TELL ME,
I'd let you [INCOMPREHENSABLE]
I'd let you be someone who lies on the darkside,

Come on tell me, I got just one look left,
And when it stabs, you'd better pray for death,
So come on tell me,
I'd let you [INCOMPREHENSABLE]
I'd let you be someone who lies on the darkside,
Come on tell me, I got just one look left,
And when it stabs, you'd better pray for death
