Don't go slow,
You'll miss all the things that you need.
Your love and heat,
Runs from your head to your feet.

I saw you first in the car on the way to the lake,
I kept you thereâ€¦

If my bones we wrapped around you,
And my skin was right in front of you..

Would you smile and close your eyes,
I'm yours tonight.

If you stay I promise to keep it alright,
For all these days..

When you fell .. Like a feather from out of a plane,
you've got time.

If my bones were wrapped around you,
If my skin was right in front of you.
Would you smile and close your eyes,
I'm yours tonight.
