Wherever you are
Floating on a boat or on a star
Whatever you do
Every time we touch you move

You have different eyes
For every time your heart arrives
I want you to sigh
It's alright

I am finally swimming you are the line
If this is a moon land, darling
You'd be the find
I wanted to keep you close
Make you mine
If this is a moon land, darling
You'd be the find

Wherever you go
All the different places you know
Whatever you hear
The only things you needed are near

It is a different heat
To all the other things that you need
So don't close the door...

I am finally swimming you are the line
If this is a moon land, darling
You'd be the find
I wanted to keep you close
Make you mine
If this is a moon land, darling
You'd be the find

I know it's hard to be calm in a storm
I know it's hard when your heart is worn
I know you tried to work it all out, but now

I am finally swimming you are the line
If this is a moon land, darling

You'd be the find
I wanted to keep you close,
Make you mine
If this is a moon land, darling
You'd be the find
