Got to be God's favorite.
A what's up all the people in the world "all the people in
the world"..
Everybody across seas..
Everybody, everywhere, that love N-O-R-E
"I know y'all love me"
I know my fans been sitting around waiting
They looking...
Said damn it's summertime n-o
Ain't drop one
I know I drop one four summers straight"four
summers"..
Had to pause this summer though "had to pause"
Learn how to be a motherfucking man
"learn how to be a man"
You know..
Spend sometime with the motherfucking kids and shit..
Be a man on my motherfucking own "be a man"
Still got the crew, still roll with my niggaz.,.
But I just had to focus... focus as a motherfucking man
as a solo artist..again..
I know last time I dropped one
It's not that I let the people down..
I let myself down.. my mind wasn't there..
Just wasn't focused but ain't none of that shit no more
"no more"..
None that stress..
I dealt with all that shit..
I know niggaz is sitting around like damn..
He named the album God's favorite...God's favorite..
What the fuck he mean by that..
I mean with all this drama we be going through... shit
on the street..
Nigga hating niggaz from my same origin, fucking with
niggaz
They not supposed to fuck with "foul man"..
Shit is just to much "too much"
Jail calling "jail calling us"
Like we still fucking hustling "police"..
Got to be God's favorite
I been through so much in my life time, as a artist, as a

regular nigga
And now as a man "a man"..
God's favorite "God's favorite nigga, God's
favorite..nigga, God's fav cough..cough..
Man I got to be"..
