Money

( Michael Grimes )

In a room in the back  
Is the hand of a man  
He can get what you need  
He does it fast as he can

When you step on the street  
And you got what you came for  
You got to scare up the money  
Because you'll always need more

Demons and devils and a hundred dollar bill  
Ride the rail to the scale, but you never get your fill  
You never saw it coming till the knock on your door  
When the devil comes in to even the score

I heard they're looking for you  
Overheard what they said  
If you don't get the money  
You'll be walking round dead

Demons and devils and a hundred dollar bill  
Ride the rail to the scale, but you never get your fill  
You never saw it coming till the knock on your door  
When the devil comes in to even the score

Demons and devils and a hundred dollar bill  
Ride the rail to the scale, but you never get your fill  
You never saw it coming till the knock on your door  
When the devil comes in to even the score

In a room in the back  
Is the hand of the man  
With his finger on the trigger  
It goes according to plan...
