LiveeviL...

We are rockin' now,

Huh, listen this:

Ba-ba-back in this shit,

Everybody knows when am around,

Real rapper flow,

I ask you do you feel the sound,

You know how we going,

You know that we going loud,

And if you trunna be like us,

Sorry but we rocking now,

U had your time,

Am sorry but your time is over now,

Now we are up,

Now we are rollin' in the crowd,

People wanna listen to us,

We are what's this is all about,

And if you don't like it,

Sorry bitch, but you are down,

U are talking about money and power,

Shit that you don't know nothing 'bout,

It's not gonna be like it,

You'll have to shut your mouth,

You are old school, huh?

U making me laugh,

Bitch I heard you are singing,

That life's rough,

And you are living with your parents,

Still in the house,

We can't measure bitch,

I am a cat, you are mouse,

You are down, am a boss,

It's my time to toss,

The life dice,

And your time to get lost, bitch!

CHORUS:

Still in this shit,

Money even more,

When I do it bro,

I do it hardcore,
I ain't going of the top,
Until I want to,
You know how we go,
You know how we do,

Still in this shit,
Money even more,
When I do it bro,
I do it hardcore,
I ain't going of the top,
Until I want to,
You know how we go,
You know how we do,

Do you feel this breez,
Be\$tRaP in the building,
When you see me entering,
How are you feeling,
You are thinking that you are nothing like me,
Okay, I know, It's hard to believe,
But I know, I know,
I was there too,
I was standing there,
Just like you,
Thinking like:
"I'm gonna be like that someday".
Wasn't born rich,
And now am overpaid,
I don't have to say,
You know it all,
Going up,
And watched out,
And I didn't fall,
I'm one in a million,
That made it to the clouds,
That touched the sky,
And didn't fall down,
And now you are listening
to my sound,
Hope you can make it?
If you do, see ya' round,
But I ain't gonna help ya',
You gotta do it alone,
Life is just like writting a song,
You are building your life with steps,
Like song with words,
And the you touch a sky,
And fly with a birds,
If you make it to the top,
If you don't drop,

I did, You want? Good luck...
And am, and am, and am, and am,
And am, and am, and am, and am,
And am, and am, and am, and am,

CHORUS:

Still in this shit,
Money even more,
When I do it bro,
I do it hardcore,
I ain't going of the top,
Until I want to,
You know how we go,
You know how we do,

Still in this shit,
Money even more,
When I do it bro,
I do it hardcore,
I ain't going of the top,
Until I want to,
You know how we go,
You know how we do,

Still in this shit,
Money even more now,
Be\$tRaP,
Wherever I look,
Lots of green everywhere,
You trunna be like us,
But am sorry, who cares?
You can't copy us,
Money overweight,
You pay to do your shit,
While am getting paid,
When you are going with your girl,
You are always late,
So she dumped you like a trash,
And I took her, for a date,
But she doesn't understand,
You don't have no car,
Here, take one of mines,
And take her to a bar,
Oh wait...You don't have money for that?
Than go away nigga this is Be\$tRaP!
Than go away nigga this is Be\$tRaP!
This is Be\$tRaP,
This is Be\$t,
This is Be\$t,
This is Be\$tRaP,

This is Be\$tRaP,

CHORUS:

Still in this shit,
Money even more,
When I do it bro,
I do it hardcore,
I ain't going of the top,
Until I want to,
You know how we go,
You know how we do,

Still in this shit,
Money even more,
When I do it bro,
I do it hardcore,
I ain't going of the top,
Until I want to,
You know how we go,
You know how we do,
