My lungs breathe the lust of longing for a reason
A reason exists in the barrier that you have built
Built for a deception of me & you
These games you™ ve played have been destroying
me!!
These wounds never heal I™ m but a number in your
array!!

I gave you everything
You had no faith in me
I brought you all my dreams
But you gave up on me!
I gave you everything
You had no faith in me
I brought you all my dreams
But you gave up on me!

My lungs breathe the lust of longing for a reason
A reason exists
in the barrier that you have built
Built for a deception of me & you
But when I climb up this ladder!
You™ ll see me reach my final step
You™ ll discover my passion and the cause to my
heaving prestige!!

So make your move
Try to consume me!!
So make your move
You can™ t consume me!!
This heart will never beat for you!!

I gave you everything
You had no faith in me
I brought you all my dreams
But you gave up on me!
I gave you everything
You had no faith in me
I brought you all my dreams
But you gave up on me!

This heart will never beat for you!!

This heart will never beat for you!!
This heart will never beat for you!!
This heart will never beat for you
This heart will never beat for you
This heart will never beat for you
This heart will never beat for you
