I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking

Drunk man walk, drunk man dance fuck with me
That's the soldier call, have to leave
I got the fitted for teams and camouflage shorts
We in separate leagues, we playin' different sports
Dump your baby to the fake shit
You're like I said you don't cum, you just fake shit
And I don't care about them idiots
I make 'em bleed once a month, man periods
Fuckin' fuck boys, you niggas fuck boys
Catholic priest niggas fuck boys
And I don't like to be around 'em
I break out in hives, I'm allergic when I'm 'round them
Vegetarian, no beef
I'm a swisher street Philly nigga, no leaf
Aha, so let's get drunk and fuck't up
I got a 2 word memory (wut wut)

Drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking

I can't drink too much or my stomach will curl
Count men with my niggas, one is leaving with Earl
No homo. No flegirino on my nino
And Shorty know what time it is

I beta it while I'm rhymin'g this
I get that heavy mow, squash one, let it go
Right in the studio, she know I came to flow
And I don't care about her bitchy ass man
He gonna do what he do, might throw her a grand
Not much for a bitch, now go home to your man
I can be movin' and do the same shit out in Houston
No schemin', no scandal, will we make it happen?
And get some bottles and some blunts when you meet
the captain
Real niggas know the name and they know it's that man
Radoff, back to back in great north
We got the jail time nigga, this is real time
Seguary flow, juice up and get right

Drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be drinking
(Yea yea yea)
I do be
I do be
