Chorus

imma live the dream yo
no time to sleep yo
if you know what we know
yall niggas finito

it's an animal anthem
it's an animal anthem

lookin through the people
i can see the people
looking for the heat yo
yall niggas finito

it's an animal anthem

it's popping
popping popping

hey yo the bricks that they front me
out of the country
do that thing monthly
â€¦ still want me
them dudes finito
i sell chico to a chico
benefico the truck and my seat low
magnetic its all cosmetic
swag synthetic you get your shit shredded
osmosis, scoliosis
prognosis ferocious
get a dose (of) this
yo hold up
put your hands in the air yeah it's a hold up
.... kush kung fu karate
Kawasaki aki, this shits locked up, probably
gold guns and say the least
that's just â€¦louis
wherever there's indians
imma come and play the chief
..... they basura (trash in spanish)
left tunes they gotta to be thugs cause i am the shooter

my new gun is plastic
ooh N.O.R.E.'s a classic

Chorus

weezy-
uhh i spit swishas from my thumb slime
they say numbers dont lie except one time
young tune got goons on the front line
These hoes tryna get on like they unsigned
side step, counter, right left punch line
real niggas dont do sit-ups when its crunch time
get high, sing summers on the guitar
got yo girl on my dick like a see-saw
My son tell his friends daddy got a race car
t-roll buzz longer than the space bar
dread hair, high socks with some vans on
bullet hole bigger than the grand canyon
neptunes on the beat N.O.R.E. what it is
chop body parts off stick 'em in the fridge
yeah kiss my ass under the mistletoe
young money motha fucka if you didnt know

Chorus

N.O.R.E.-
animalistic futuristic gold biscuit
artistic hands roll it terrific
alien out of this world
i must have want more
pyramid, egypt style look like the luxor
.. rapped of my face though
i say so go anywhere the way go
prepay so rose alegre (happy in spanish) connect
named felipe
nacho libre
hood like e-bay
colombia next time
respect and let the tech fly
send yo f super slime aztec-a
drink agua lay up in gagua
still on my ra-ra no lady gaga
still rock the diamond holder
mommy give me brain i think that she a mind controller
i don't mind her over
stop one corner store crime i am on top of it
them dudes is wash, im exact opposite

Chorus
