Hey hey hey hey
I got that yay yay yay yay
I say
Hey hey hey hey
I got that yay yay yay yay
I say

Chop the work like the sheds do in Benihana
Piranha, ostrich, host rich, cartridge
Boom! Guns will blow up in your fuckin' face
Boom! Guns will blow up in your fuckin' face
Kettle 1 shots, no orange juice
I used to go hand to hand in a orange goose
Salute me when you see a nigga like me
You can search the earth, can't find another nigga like
me
I shot niggas with a record deal and I extend
My left rack 'til you seize your wild memories
My aura's adjacent, bed, house and a basement
I did it before, king of the rap features
I'm running this shit to have on track snickers
I get yay'd for my nigga named Pablo
But I send them to hell so he call me Diablo
Smoking on a Schwarzenegger, Michael Phelps
Barry Bonsai, fucking whatever helps
Hash on me yo, homie stop, hold 'em back
Flex out for these niggas, give 'em a heart attack
From Mach 11, so where the party at?

Hey hey hey hey
I got that yay yay yay yay
I say
Hey hey hey hey
I got that yay yay yay yay
I say

Hey hey hey hey
I got that yay yay yay yay
I say
Hey hey hey hey
I got that yay yay yay yay

I say hey
