So Imma keep livin' my life
Oh, Imma keep livin' my life
Oh, Imma keep livin' my life
So picture me rollin'
Picture me rollin'

Imma keep livin' my life
Oh, Imma keep livin' my life
Oh, Imma keep livin' my life
So picture me rollin'
Picture me rollin'

Yo, you transform the coke, send it through a water
boat
Keep prices or to quote, murdered at your order wrote
Eagle eye binocular, vision spectacular
Suckin' me like Dracula, good binaculaz
Louder voice to make oysters with
Diamond blue pinky ring
Kiss it when you bow in the presence of a general
Be then your wild emerald, terrible
Incredible, big ace is edible

I'm livin' life in the fast lane with no breaks
I super slide front of me, I can't wait
To get to the top top
Where ain't nobody else in sight
I'm on the stage, DJ shot a light
I swear I am talkin', talkin'
Yea, they're talkin', talkin'
Yea, they're talkin', talkin' 'bout me
I swear I am talkin', talkin'
Yea, they're talkin', talkin'
Yea, they're talkin', talkin' 'bout me

So Imma keep livin' my life
Oh, Imma keep livin' my life
Oh, Imma keep livin' my life
So picture me rollin'
Picture me rollin'

Imma keep livin' my life
Oh, Imma keep livin' my life
Oh, Imma keep livin' my life
So picture me rollin'
Picture me rollin'

The streets say I'm focused, the real niggas notice
Better take notice, swarm like locusts
We can talk smoke shit and we can talk cope shit
And we can talk super gal a fragile, this the best reality
dope shit
I follow money, you follow another role
My plan is to get rich and bring in the mother load
Something that would make the D.A. buildin' panic
A ship full of drugs, speakin' top 10

I'm livin' life in the fast lane with no breaks
I super slide front of me, I can't wait
To get to the top top
Where ain't nobody else in sight
I'm on the stage, DJ shot a light
I swear I am talkin', talkin'
Yea, they're talkin', talkin'
Yea, they're talkin', talkin' 'bout me
I swear I am talkin', talkin'
Yea, they're talkin', talkin'
Yea, they're talkin', talkin' 'bout me
'Bout me

So Imma keep livin' my life
Oh, Imma keep livin' my life
Oh, Imma keep livin' my life
So picture me rollin'
Picture me rollin'

Imma keep livin' my life
Oh, Imma keep livin' my life
Oh, Imma keep livin' my life
So picture me rollin'
Picture me rollin'

Hey yo, I'm separate from the derily
My etiquette rise like the east show, peace yo, sheesh
yo
Barricades or grenades, barracks and coffee pots
One tip freezin', and Vidal is watchin' all the blocks
They're watchin' all the block, chinese and porto rocks
Passport stamped up, it's time to travel safe
Time is money and we can't afford to travel late
â€!

I'm livin' life in the fast lane with no breaks
I super slide front of me, I can't wait
To get to the top top
Where ain't nobody else in sight
I'm on the stage, DJ shot a light
I swear I am talkin', talkin'
Yea, they're talkin', talkin'
Yea, they're talkin', talkin' 'bout me
I swear I am talkin', talkin'
Yea, they're talkin', talkin'
Yea, they're talkin', talkin' 'bout me
'Bout me
