Yea, you go pray to whoever the fuck you wanna pray
to homie
Can't stop what's already pre-approved by God
Shit coming back around uh, yea

Soft white, crooked gutters
I heard your face's scared up from the box cutters
Hand to hand, you're the type of goons
Warrior niggas, niggas hustle from June to June
Hockey stick, face blast
Hockey puck to your face to fuck your face nasty
Idiots, idiocracy
Cant' rest no, my night is my philosophy
And this is not hypocrisy, this is like a prophecy
Militate a regime, you form a new Monopoly
Hustle tight like Kanye fans
Some things devoted you to Kanye's den
Niggas shout at you 'What you cry for?'
You supposed to laugh it off like July 4th
Sucka niggas, you just ran away
I'm in Montigo bay, tryna get a tan a day

I got that this is perfect white, Kenny Powers
Soft and hard white too, Kenny Powers
I'm on the block with it homes, Kenny Powers
You niggas know what I sell, Kenny Powers

I got that this is perfect white, Kenny Powers
Soft and hard white too, Kenny Powers
I'm on the block with it homes, Kenny Powers
You niggas know what I sell, Kenny Powers

I got a russian mob just to throw you off
And they all got guns like Gorbaciov
USSR, they got the best car
And they got the best dope, best guns, best broads
Lay it out for me in Moscow
In Philippines it's me butcher, fuck me out
Chop the words, then we bag it up
Count the money from the block then we add it up
So crack nothing, don't divide shit

Cuz only my niggas eating off my shit
Fuck the other side, they can eat a dick
Fuck the other side, I get offended quick
Fedorov used to live the see the grove
Now I see the ocean side view just to see the glow
Sellin' sour, I'm sellin' hours
White boy shit, Diddy Powers

I got that this is perfect white, Kenny Powers
Soft and hard white too, Kenny Powers
I'm on the block with it homes, Kenny Powers
You niggas know what I sell, Kenny Powers

I got that this is perfect white, Kenny Powers
Soft and hard white too, Kenny Powers
I'm on the block with it homes, Kenny Powers
You niggas know what I sell, Kenny Powers

Crack on steroids
