We ain't fuckin' around
We seriously partyin' down
Here we go here we go here we go here we go

No, we ain't fuckin' around
We seriously partyin' down
Here we go here we go here we go here we go
Here we go here we go oh oh
Here we go here we go here we go oh oh
Don't stop, we partied up here we go oh oh
Here we go here we go here we go oh oh
Don't stop playin'

Have your toast to the bosses, the new forces
Shit on niggas like manure from the horses
The endless fortress, bill gotta walk on
Go and floss, it ain't like the war gone
You look for N.O.R.E.? Well here I am
Beats in production by Will.I.Am
OG cush got my eyes Chinese
Fried chicken, colored greens, Black Eyed Peas
Just when you thought it was over I'm back at it
Just when you crossing to sleep then graph matic
Had to go back, it's stuntin' my ill matic
Still write graffiti, to baffle, that is a graphic
Skip through L.A., through that sticky green traffic
Past that's the way, that don't make me a bastard

We ain't fuckin' around
We seriously partyin' down
Here we go here we go here we go here we go

No, we ain't fuckin' around
We seriously partyin' down
Here we go here we go here we go here we go
Here we go here we go oh oh
Here we go here we go here we go oh oh
Yea, we partied up here we go oh oh
Here we go here we go here we go oh oh
Now don't stop playin'

Everybody in or are chillin'
Thugs out, chillin'
And what can I say? I'm a crazy hood villain
Look in the sky, clouds look like blue rain
I kinda fin it for a new day
It's the DJ, the records and the world's still
Can I say a rick-a-rick-reel
Brag dancing, I see this chick dancing
Sayin' that I'm handsome, rockin' my Hally Hansen
Still advancing, you niggas can't past oh
Monopoly money, I build it wobbly, slow
God slow or just me as padrino
Ey little parent till I graciate casino
So we can ride on
We can ride on
We don't stop the party 'til 6 in the mon

Cuz we ain't fuckin' around
We seriously partyin' down
Here we go here we go here we go here we go

No, we ain't fuckin' around
We seriously partyin' down
Here we go here we go here we go here we go
Here we go here we go oh oh
Here we go here we go here we go oh oh
Yea, we partied up here we go oh oh
Here we go here we go here we go oh oh
Now don't stop playin'

We party uh-h on, uh-h on
We ain't playin'
Stop playin'
Fresh fresh fresh
