We bus a show in every city we go  
And this a one ya'come fi blow your stereo  
We nah no faka' yes ah true dog a wi'  
We brew you up like a nice cup a tea

We go so  
Don't stop raggamuffin don't stop jammin'  
Don't stop raggamuffin don't stop jammin'  
Don't stop raggamuffin just can't stop it  
You're drivin' automatic but you'stock ina the traffic

When we bus up the voodoo we come clean with the  
magic  
Sacrifice a sound boy cut him head off with the hachete  
Break up him dubplate take the money out'him pocket  
Ganja ina mi brain like the fuel fi mi rocket  
This tune is selling like hot cakes from the club to the  
market  
When we reach ina the coffee shop we shoppin'with the  
basket  
Ah so wi ah go party like a bare x project  
Like popeye with his spinash we come strong with the  
chronic

Don't stop raggamuffin don't stop jammin'  
Don't stop raggamuffin don't stop jammin'  
Don't stop raggamuffin just can't stop it  
You're drivin'automatic but you'stock ina the traffic

Comin'outta space like a hero from a comic  
Electric fire brain plug your fingers in the socket  
Now all a dem people in a panic "panic"  
Ca'too many people sufferin'pon this planete  
So we takin'up the meassure yes ah even if dem  
drastic  
Ca'we are straight we no bend we no elastic  
Plus dem bull shit ah smell like a burnin dutty plastic  
Forget bout your worries when we ram it and we jam it

Go so...  
Don't stop raggamuffin don't stop jammin'  
Don't stop raggamuffin don't stop jammin'

Don't stop raggamuffin we just can't stop it  
You're drivin' automatic but you'stock ina the traffic

We bus a show in every city we go  
And this a one ya'come fi blow your stereo  
We nah no faka' yes ah true dog a wi'  
We brew you up like a nice cup a tea

We bus a show in every city we go  
And this a one ya'come fi blow your stereo  
We nah no faka' yes ah true dog a wi'  
We brew you up like a nice cup a tea

Don't stop raggamuffin don't stop jammin'  
Don't stop raggamuffin don't stop jammin'  
Don't stop raggamuffin just can't stop it
