[Intro]

Pull me, pull me, pull me
Pull me closer
Feel the music
Don't let go baby
Love is taking
Over use control
I have feel waiting for you
All of my life

[Verse 1]

Come on and
Hold me tight
Let go whatever
Is on your mind
Let your body
Be free and we'll
Dance tonight
A party for two
Cause, it's just you and I
You know
I'm talking about
You know
I'm talking about
You know
I'm talking about
Talking, talking, talking ...
You know
I'm talking about
Â« SEX ! Â»

[Verse 2]

Come on and
Hold me tight
Let go whatever

Let your body
Be free and we'll
Dance tonight
A party for two
Cause, it's just you and I
You know

I'm talking about
You know
I'm talking about
You know
I'm talking about
Talking, talking, talking ...
You know
I'm talking about
Â« SEX ! Â»
Â« Yes, please. Â»
