Searching for a way
Into your arms
Burning up in flames
To keep you warm

Tend you eyes away
There's nothing wrong wrong

But If You ask me
I Could last forever in your arms
Realizing nothing last forever in your arms
Doesn't end tonight?
Doesn't end tonight?
Will always never let me go?

Meet me in a dream
Struggle across the floor
Find our fantasy
I Couldnt ask you more
Giving with a kiss
Quiet the storm
In a crystal list
Wrap in your arms

But If You ask me
I Could last forever in your arms
Realizing nothing last forever in your arms
If You ask me
I Could last forever in your arms
Realizing nothing last forever

In your arms
Doesn't end tonight?
In your arms
Doesn't end tonight?
In your arms
Doesn't end tonight?
In your arms
Doesn't end tonight?
In your arms
Doesn't end tonight?
In your arms

Doesn't end tonight?

In your arms

Will always never let me go?
