Chorus] [Repeat 2x]

Yo New York get the blood money

Drty cash smoke hydro green

Sill mix it wit hash

To all the weed spots

Niggaz know I'm known to cop

All the good shit smell me nigga

I'm on some hood shit

[Noreaga]

Back to the essence when I first rhymed

L.A. L.A.

When yall niggaz first heard me

I was starvin on the train just sellin my caine

Fast world in ninety nine its still the same

But now I gotta car, my rims

Off the bar, only stay in hotels

That be five-star

Queens,

Akineyle, Mobb Deep, and Esobar

Lost Boyz, Run-DMC, Pun and me

No disrespect but

Queens got this shit locked D  
Yo New York get the bloody money  
Can't watch me  
You know my tempo  
I can do it fast or slow  
Eat some bubble-gum weed  
And yell, GERONIMO  
All my analog thugs and my digital thugs  
All my people that be rowdy  
Wit weed in tha clubs  
For my knives and four fifths  
Bloods and Crips  
For my people who smoke Phillies  
And knows it splits  
And to the niggaz on the block that  
Rock my shit  
To the crackhead  
Waking up tha cops and shit  
For all the liquor stores  
That ain't no good  
To all the stocked ones  
Everywhere that be in tha hood  
For all my people on welfare  
Don't even care  
For all them people gettin money

Livin in Bel-Air

[Chorus] [Repeat 2x]

[Noreaga]

Time zone, got blown monegon

My niggaz get high

And still fall in tha zone

Bitches, callin me up and hanging up

I ain't a playa

So why yall hoes playin games?

I'm a hustla

And I even hustle the same

I got hoes who

Thinkin I love 'em

I don't love 'em

And once I get the ass yo you know umma thug 'em

Tell 'em lies, hit 'em in they head

Hit 'em wit bread

I'm a millionaire bitch

I could trick a ????????

Of you lookin foul and you

Fuckin wit me, N.O.R.E.

Thuggish nigga out here B

Bloody Money once again

Yo this one part three

Classical song

Certified, Desert Storm

For my niggaz always there

When I perform

And scream,What What

When I scream What What

Straight wild in

In Superthug and they all be stuck

Have yall niggaz ready to fight

All ready to fuck

[Chorus] [Repeat 4x
