â€œLatelyâ€

Must have done this a hundred times

Stare the light down, pray it ainâ€™ t mine

The cancer in my bones

Iâ€™ m tired of this old skin

I donâ€™ t know how I got here, Iâ€™ m crucified again

Chorus:

Iâ€™ m sorry I canâ€™ t hear the phone

Lately Iâ€™ m not here at all

Leave a message, say that you called

Lately Iâ€™ m not here at all

Roll the curtain on the wall

Donâ€™ t try to reach me, donâ€™ t try to call

Stare the light down

I donâ€™ t feel so good

Cause only red lights feel like they should

Chorus
