â€œSeven Hoursâ€

Took a vacation/ State hospital

My sister came to pick me up/ Take the meds from a  
paper cup

The nurses they took me in/ They asked me where I  
was and who I'd been

Took the laces from my shoes/ Cigarettes and my  
lighter

Seven hours ago. I was really close

Quick to tell you why they use/ some depressed and  
some abused

Some people shuffle down the hall/ waiting for that  
cattle (call)

Ain't what you did or you didn't do/ Some  
things I have to keep away from you

Some nights I wish that I never left/ It's the first  
night I ever

Seven hours ago. I was really close
