Yeah MG Plus production, best believe this is our time
We know what we're doing man, Muana Mboka, 2012,
this is our year
Just load the gun and give one shot

(Cause i'm not the only one)
We don't have no time to sleep around
I got you, MG I got you my bro
(Cause i am a loeaded gun)
(I'm not the only one)
(Me, Cause i am a loeaded gun)

[Rap 1]
Still I am
I feel like my own life is written in my hand
Damn, succes make me feel like I'm just living a dream
Is it really me that nigga that I see on the screen?
Cause it feels like a dream when you're living your
dream, Uhn!
Cause I'm a fighter like Danyo
My people need a leader, need the one they can follow
Brush my teeth with alcohol but I never swallow
I gotta keep my mind concentrated, nigga yall know
I Know!!
Everybody's life is a Bigg masta G show
Since I'm in the Music game people say they need more
Uhn!! It's Like We all got a G Phone
They download that shit and put it as a rington
Vrai muana Mboka!!
Tika ngai na buaka na lingala po ba yoka
This rap music got me feeling like I'm so hot
You're gameover mothafucka ca la boca

[Chorus]
I don't listen when this niggas talk
And I don't go when these niggas walk
Best believe that I'm a different kind
tha's my time
Ask all my homeis
I'm her to run it
I'm not the only one
But I'm the one here

don't think you know me
I'm not your homey
Never get at me
Best believe you don't know me
Cause I am a loaded gun

[Rap 2]

Money comes, when honey goes
But when honey comes back, momey goes
Yeah, that's why i never care about this hoes
Cause the only reason why they come back is probly
doz
I live my life full of bottles and the glasses
Party full of action with models and their asses
Wear creative fashion, so models never pass us
When they do it just cause they want us to see they
asses
Rapper singer and producer,
If she sings i might produce her, If she hot I might
seduce her
If she think that she a diva, I might take her, fuck or use
her
So so many bitches, I aint even scared to lose her, Uhn!
Yeah! I don't have time, like I sold time
Ice on my neck represent the cold time
Yeah, now let remenice old time
hey yoh Djo what time is it? gold time
Now I gotta thank MG Plus
Cause we roll man I feel like I can't be touch
These niggas straight tripping, cause they can't be us
You got a lot of money, but that can't much
