Bitches want me as if I was some pair of shoes
Million bitches friend requests, just waiting for me to

I don't need all of them just gimme the best five
Bitches only wanna be part of my sex life
I can take your wife turn her to your ex wife
Wonna be like me, maybe in your next life
There's no sky so sky aint no limit,
I can take your goddamn life in a minute

You say you don't like me, Boy you aint gotta love me
Even though you hate me, boy I know my mother love'

And I am so blessed cause, heavenly father loves me
Ask your girl, I know she love'me, And I know she know

Everytime she come' around she just Bug' me, just to

Boy don't worry, boy don't worry, I don't hug her, I don't
