I'd like to be your side wheel
I'd like to be your side wheel
Don't know what you got
But I know what you need

I'd like to be your side wheel
'Cause nothing's better than the window side
Only on the moon can you get away
With that kind of thing

It's fun to me
Its fine to see
This fantasy

Oh oh what you said
I can see the sun
In the middle of
The city
The city-y-y-y
The city
The city-y-y-y

Doesn't matter what they say
I can be here every day
You can see a movie
Or meet me by the pool
And if you come my way
I'll see you every day
You'll be my day-in babe
You're so fine

It's fun to me
It's fine to see
This fantasy

I don't know what you said
But I see the sun
In the middle of
The city
The city-y-y-y
The city (I don't know)

The city-y-y-y (I really can't say)
I don't know
I don't know

I'd like to be your slide wheel
I'd like to be your side heel
Don't know what you got
But I know what you need

I'd like to be your side wheel
'Cause nothings better than the middle side
Only on the moon can you get away
With that kind of thing

It's fun to me
It's fine to see
This fantasy

Don't know what you said
But I see the sun
In the middle of
The city (I don't know, I really don't know)
The city-y-y-y (I don't know, I really can't say)
I don't know
I don't know
