In the papers, on the TV screens
Pictures of Adolf again
As sure as I sit here there will appear
Pictures of Adolf again

You're wrong, you're wrong
Throw down your cards
You're wrong, you're wrong
If you say Adolf he won't come

OK deny representation
By leaders of all nations
But have you got, have you really got
Anyone to replace them?

You're wrong, you're wrong
Throw down your cards
You're wrong, you're wrong
OK then who's gonna come?

Christ or Hitler? Christ or Vorster
Christ or all the Caesars to come?

That's the choice, that's the choice
Sooner or later
That's the choice, that's the choice
You're gonna have to make
