Yousha naku hibi wa sugite yuku, tatoe boku ga koko

Yamanai ame ni utsutsu nukashite, aikawarazu no

Kidzukeba hora machijuu wa sorowanu ashioto darake  
de

Minareta hibi wo ketobashita, fuyuzora wa majiri no nai  
ao

Boku wa yuku kotoni shiyou, tesaguri no mamade  
Aseri mo hitogomi mou maku kakiwakete sa  
Itsudatte soko ni aru no wa, hoka demonai omoi  
Saigo ni nokoru no wa sonna mono sa

Toki no RIZUMU wa tomaranai, tatoe boku ga koko de  
iki wo tomete mo  
Dokomokashikomo inochi wo kizamu oto ga kikoeru

Iki wo kirashite, kakedashita, boku no koe ga kono

Kawari yuku machinami ni sekasareta toshitemo  
Toki irenai, sono saki mo boku wa sodateyou  
Itsuka ano yakusoku ga tozasareta toshitemo  
Souda yo, subete wa menomaeni aru

Sonna yoru no koto sae mo, kitto...

Boku wa yuku kotoni shiyou, tesaguri no mamade  
Aseri mo hitogomi mou umaku kakiwakete sa  
Itsudatte soko ni aru no wa, dareka he no omoi  
Saigo ni nokoru no wa, kitto sonna mono sa
