I know how you feel, you need someone  
Liberty won't hurt anyone  
I'm feeling your breath on my bed  
Take your shirt off, open your legs

Lay down, take it all out there's nothing to hide  
Free your mind, keep nothing outside  
Keep nothing inside  
Go crazy and pull my pants down

Damn, fun start now

It's time to ignite  
To ignite liars  
And now you can feel  
Feel my power  
So why don't you lay down  
Lay down quiet

Stop screaming bitch  
You wanted this

You love this overload of feelings inside  
There's no turning back  
Yeah yeah  
And I can't wait to feel you from inside

I'm hearing you cry inside...

I will take you..

Yeah, I'm here inside

What?!
