Fool you try so hard  
Back down or I'll run you  
Down down down  
Into the wild  
Into the space

You're so afraid  
You little man  
With a hat  
To whom you wish to hide your lies?

Lies, lies every time you speak  
You become what you fear  
What you fear yeah  
A man with no dreams  
No hope no life  
And no soul  
Will you keep dreaming 'bout soul?  
Now tell me baby!  
Where you wanna go?

Look yourself my man  
You take, you take  
But right now  
I'm pushing  
You know, you know  
I'm jumping

Seek it, never wait  
Never live  
Never live to breath  
This greedy air

Won't you give me peace?  
Won't you let me live?  
Or I'll break your face as you speak  
Motherfuck  
!

Someday  
I will  
Love you back.

And then  
Youâ€™ ll face  
Youâ€™ re demise.

Youâ€™ re totally invited  
To my, to my party  
Itâ€™ s only starting  
Itâ€™ s only starting

In this party  
Weâ€™ ve got, women, alcohol and drugs  
Winners and losers  
Some love and hate  
But most of allâ€¦ most of allâ€¦  
Violence
