"We Celebrate"

Visit "[We Celebrate](#)" on MotoLyrics.com

As I see to the beast as she lies
I die
Tired to fight
To fight against

The lies, the lies
To buy
My hope
Hold on my voice is soft
Is soft so

Prepare, prepare to face
The world crumbles
We celebrate!

We celebrate

This time
I will know
The truth is love

Freedom is way to strong
And we will love

I love the way you smile
You retards
Society is mine
To hide
To hide

My wicked plans
My wicked plans
My wicked plans
As I ride your backs
Youâ€™™ re so afraid

Prepare, prepare to face
The world crumbles
We celebrate!

This time
I will know

The truth is love

Freedom is way to strong
And we will fuck you

I celebrate
